The "Serenity House - Alano Club of Charlevoix, Inc." was organized in 1986 to provide a meeting place for 12 step meetings. The organization is a non-profit corporation governed by a Board of Directors elected from its membership.

Club membership is never required and should never be implied for participation in 12 step meetings held at the club.

We request each group to organize itself as suggested through their respective 12 step program to avoid any violation of their traditions.

The Alano Club is a group of people interested in helping those seeking relief from addiction related problems by providing a place for 12 step meetings to be held.

Book Review

7 Key Principles of Successful Recovery

by Mel B & Bill P © 1999 by Hazelden

The authors use key slogans familiar to all 12 step meetings such as First things first (Order); Live and let live (The Great Law); Easy does it (Graceful Effort); Let go and let God (Releasing); One day at a time (Reduction); Pass it on (Service); and Keep it simple (Simplification). If you are looking to keep things pretty simple but would also like to cultivate some depth into your day to day approach, this book will be a great companion. (\$13 available at the club)

Getting Started in AA

By Hamilton B © 1995 by Hazelden

The book talks about the basic foundation of the 12 steps and the 12 traditions, has information about different types of meetings and groups, detailed about the fellowship concept and a nice glossary of AA terminology as well as a chapter on meeting etiquette, highlights anonymity, encourages reading the book & working the steps, using the slogans, how to apply the serenity prayer, dual addicted, specialty groups, often quoted passages and more. Great tool for newcomers as well as those who are introducing the program to others. (\$11 available at the club)

Alano Club Finances

We have come a long way in the past two years financially. As of 12/31/05, we have a balance of \$31,829.83 in cash assets. Guidelines established by the board in 2004 involved maintaining \$2,000 in the checking account to cover month to month operational expenses and \$10,000 in a savings account for emergencies only. Whenever possible, large expenses need to be planned out in advance. This leaves about \$19,000 toward the next big project which appears to be the remodeling of the back building so that we have the ability to conduct large group gatherings for speaker meetings and special events as well as have the ability to conduct two group meetings at the same time if desired. We are not exactly sure how much this will cost, but there are some educated guesses that it will be more than \$19,000. If it works out that we are able to sell the front building and offset renovation expenses, then we will be in even better shape. Among options being considered, selling the front building and a piece of the property or selling the building with the intention of having it moved to a different location.

In January of 2004, we started this process with five main goals in mind. These included: 1) Maintain a place for meetings to be held, 2) Develop a volunteer system of operations, 3) Navigate through the financial issues that must be addressed, 4) Address the organizational needs of the non-profit corporation, 5) Develop a long-term plan with input from Club Members. So far so good. Thanks to you all.
